Global Network of Catholic Women
United in mission, transforming lives

Since 2021

The aim of our World Women's Observatory is to **give visibility to women**, especially the most vulnerable who often remain “invisible”, in order to **inspire and generate changes that favour their development and participation in the Church and in society.**

We seek to

Eliminate all forms of **violence and discrimination** against women

Promote solidarity, highlighting the essential role of women

Foster a culture of care and inclusive leadership
