Figure 5. Agricultural export subsidies are becoming a thing of the past

SDG 2.b.1, Notifications to WTO of agricultural export subsidy outlay in millions of United States dollars

Legend:
- European Union
- Other developed economies
- Developing economies

Source: United Nations (2024b)

Notes: Only export subsidies notified by members who have commitments to notify WTO are included. Other members are not entitled to exports subsidies and are assumed not to have export subsidies. Values for members that have not made notifications cannot be estimated and are treated a zero (United Nations, 2024a).
